Celebrate

Oregon  
Leather  
Pride

In Portland, Oregon

August 3 - 13, 2006.

In September 2003 a group of area Leather Community members and leaders came together to discuss Leather Pride Week. As a result of that meeting, the Leather Pride Week 2004 Committee was formed. The Leather Pride Week 2006 Committee is committed to the collaboration of Leather group and individual efforts in the production of Leather Pride Week.

Our goal is to have a Leather Pride Week like no other. We hope to bring the entire community together to celebrate our Diversity. We hope to continue to work together each year.

**No one does it alone.**

The Committee would like to thank all the volunteers and supporters who work to make the week a success.

Yours in Leather Pride,  
The Leather Pride Week 2006 Committee
