## Oregon Leather Pride Committee History

In September 2003 a group of Portland area Leather Community members and leaders came together to discuss Leather Pride Week. As a result of that meeting, the Leather Pride Week 2004 Committee was formed and continues to be committed to the collaboration of Leather groups, business and individual efforts in the production of Leather Pride Week. Our goal is to have a Leather Pride Week like no other that brings the entire community together to celebrate our diversity.

The 2016 OLP Committee would like to thank all of the organizations, volunteers, sponsors, and supporters whose hard work makes Leather Pride Week a success.
